- Vitrified tiles have resistance to most of the stains/chemicals but, it is recommended to take due care while laying and for day-to-day maintenance.

Resistance to acids & alkalies (Exception Hydrofluoric acids & its Compounds)

Colours in the catalogue are as accurate as printing process allows. Please check actual tile sample before making the final selection

Sizes mentioned in the catalogue are nominal sizes only.

No claim will be entertained once the tiles are fixed.

For better laying, Please follow the instructions on the packaging box.

Please make sure to check the shade/finish with the sales agent/ dealer making the final purchase because there might be variation in actual finish that shown in the catalogue. The company will not bear any loss in such case.

Note
