PACKING DETAILS

| Dimensions & Thickness (mm) | No.of tiles /box | Surface | Coverage Area | Box Weight |
|------------------------------|------------------|----------------------------------|---------------|-------------|
| 800x1600x9 | 2 | Polished / HG / Smooth / Roughed | 2.56 sqm | 55 kg (Avg) |

- Vitrified tiles have resistance to most of the stains/chemicals but, it is recommended to take due care while laying and for day-to-day maintenance.

• Resistance to acids & alkalies (Exception Hydrofluoric acids & its Compounds)

• Colours in the catalogue are as accurate as printing process allows. Please check actual tile sample before making the final selection

• Sizes mentioned in the catalogue are nominal sizes only.

• No claim will be entertained once the tiles are fixed.

• For better laying. Please follow the instructions on the packaging box.

• Please make sure to check the shade/finish with the sales agent/ dealer making the final purchase because there might be variation in actual finish that shown in the catalogue. The company will not bear any loss in such case.
